## About

CPL Halo goes by the name Jersey. Jersey is from our CPL Aurora Borealis x CPL Great Gatsby litter. Jersey has a gorgeous apricot fleece coat with stunning brown eyes and the sweetest temperament to match which she is sure to pass on to her puppies.

Jersey loves going for walks and car rides. Jersey is a lucky Cream Puff, she has 4 human brothers to play with, and loves to chase them around. Jersey's favorite tricks are "speak" and "paw", especially when the reward for doing them is a slice of mango! She enjoys running in the yard with a ball and playing with her stuffed animals and tennis balls.

Jersey loves to be around her Guardian family who live in Wayne, NJ.
